Construction at the Johannes Kepler University Linz is in full swing. The reason: To actively support research and keep our country globally competitive. The [LIT Open Innovation Center](#) featuring the pilot [LIT Factory](#) as well as a rather unusual [SPAR store](#) is now complete. Join us at the grand opening and let us show you what it's all about.

We would like to extend an invitation to you and yours to celebrate the official grand opening with us on June 5. Guided tours, music, and refreshments are sure to guarantee an enjoyable, festive afternoon. Admission is, of course, free and we look forward to welcoming you to the JKU campus!
